## YOUR ESCAPE TO WELLNESS

Experience instant transformation upon entering our vast and luxurious spa chambers. Everything beyond the lobby will feel like an escape into another universe leaving all of your troubles and responsibilities far behind. Starting in the cozy locker room where your belongings (physical and mental) can be stored and our extremely plush robes donned, you'll take your time traveling through what feels like an infinite sea of pampered pleasure. The high-end bathroom and vanity area, spa services corridor and the lavish lounge are all designed with your peace in mind. Whatever you choose, take your time and relax prior to - and after - your scheduled service. All areas of the spa, including the massage rooms, are plenty spacious so your journey can be your own, if you choose, or shared with friends.

## SERVICES & EXTRAS

Relax stressed muscles, nourish your skin, renew tired hands and feet and refresh your look with our many spa services. Choose from full body massages, facials, nail services, hair design, body waxing and gentleman's treatments. Highly trained wellness providers ask the right questions so you can get exactly what you came for. It's impossible not to relax, renew and rejuvenate in complete tranquility here.

Full use of the spa is complimentary with any spa service, so bring your bathing suit and be sure to leave enough time to indulge in our essential oil scented ice room, infrared sauna, jetted hot tub and private steam showers. We recommend rotating through all of them at your leisure! Time is of no essence here.
